

PROFESSIONAL SUMMARY

Analytical and adaptable **ICT Professional** with a strong foundation in data analysis, research, and security monitoring. Proven expertise in developing real-time dashboards, managing digital data collection systems, and producing comprehensive reports for evidence-based decision-making. Passionate about leveraging technical skills—including Python, PowerBI, and QGIS—to support international development, conflict analysis, and peacebuilding programmes. Adept at cross-cultural communication and committed to fostering inclusive, secure, and efficient operational environments.

EXPERIENCE

ICT Officer

Geita Town Council, Tanzania

2021 – 2023

- Manage network infrastructure and analyze operational data to produce detailed reports for senior management, supporting evidence-based decision-making.
- Developed a real-time security monitoring dashboard, demonstrating strong capabilities in risk tracking and situational awareness—skills directly applicable to monitoring in-field team security.
- Liaise with diverse internal and external stakeholders to deliver ICT training and technical support, fostering inclusive communication and capacity building.
- Designed and deployed automated backup systems, ensuring 99.99% data integrity and operational continuity.

ICT Intern

Russeta Technologies

2020 – 2021

- Assisted senior engineers in network configuration, troubleshooting, and client-site deployments across multiple projects.
- Maintained project documentation and liaised with clients to gather requirements, ensuring technical solutions met operational needs.
- Gained hands-on experience with routing and switching implementations in production environments.

EDUCATION

BSc Information & Communication Technology

Mbeya University of Science and Technology

Relevant Coursework: Research Methodologies, Data Analysis

Currently enrolled

CERTIFICATIONS

- CCNA**

Cisco Certified Network Associate
- Higher Diploma**

Routing, Remote Access & Linux Management

LANGUAGES

- Swahili (Native)
- English (Professional Working Proficiency)
- Spanish (Basic Understanding)

TECHNICAL SKILLS

- Data Analysis & Reporting
- Excel & PowerBI
- QGIS & Mapping
- Python Automation
- Security Monitoring
- Kobo Collect
- Research & Analysis
- Web Content

PROFESSIONAL ATTRIBUTES

- Analytical thinking
- Cross-cultural communication
- Adaptability & humility
- Time management
